Y1 INFORMATION FOR CARERS (JUL 17 UPD)

INFORMATION FOR CARERS

On behalf of your Scout Group, I would like to WELCOME you, as a parent or guardian, to our World Wide Movement. By your child becoming a member of Scouts Australia, they are joining the largest youth movement in the World with over **26 million** members in **220 nations** around the world.

Scouting's aim is to develop character and good citizenship and this, for the most part, is achieved through fun and experience gained in outdoor activities. Hiking, camping, canoeing, and learning to fend for oneself teaches the young person self-reliance and how to work with others for the mutual benefit of all. In essence, the basis of Scouting's continuing success is that it uses the young person's natural desire for friendship, fun, and adventure to turn them into useful and thinking citizens so subtly that they are unaware of it happening.

Scouting makes full use of the need for adventure and the vivid imagination of young people. Games, outings, camps, hikes, yarns, and skill development activities are combined to form a unique programme for young people of all ages. Activity notification forms will be used by the activity leader to specifically advise parents in advance of all overnight activities and all air/alpine/rock-related/water activities.

An Award Scheme operates in each Section which allows the members a wide variety of activities and skills in which they can participate and receive recognition with the awarding of the appropriate badge. These awards are graded to the person's age and ability and are designed to assist the member in fulfilling our aim. Through all Sections there is the continuing opportunity for young people to work together learning co-operation, responsibility, leadership skills, and the sharing of group experiences.

As a parent or guardian, I am sure you are intensely interested in the welfare, both physical and mental, of your child and we welcome the opportunity to work with you and see your child develop into a respectable and productive citizen. Our Group provides the opportunities for parents or guardians to become involved in Scouting by supporting the Group's many activities.

A most important part of Scouting is our commitment to a set of values in our dealings with others and particularly with our youth members. To assist you and your child/ren, we ask that all parents and guardians acknowledge and accept that in their dealings with Scouts they will comply with the Scout Laws, our Personal Protection Policy, Code of Conduct, and Behavioural Guidelines. Failure by parents to so comply may result in a transfer, or termination, of your child's membership with Scouts NSW at the absolute discretion of the Region Commissioner or the Chief Commissioner or his Delegate.

All current Policies and the Code of Conduct are available on the Scouts NSW website: www.nsw.scouts.com.au .

All Adult Leaders undergo Police Checks, complete Child Safe Training and hold a valid and verified NSW Working With Children Check (WWCC). To find out more, please visit: www.nsw.scouts.com.au/general-information/child-safety .

Scouting will assist your child in becoming a better member of the community. With your help either as a Leader, Committee member, or Parent Helper, your child will enjoy their experiences in Scouting and will benefit greatly from them. Please encourage your child's *active* participation in Scouting, as parental encouragement and assistance make it more enjoyable for everyone.

I am sure both **YOU** and **YOUR CHILD** will enjoy being involved with Scouting and once again I offer a warm welcome;
